

# 13<sup>th</sup> European Congress on Menopause and Andropause

## 8 – 10 September 2021 | Virtual

*Advancing healthy menopause and ageing*

### What does EMAS do?

With an active worldwide membership and over 40 affiliated societies, EMAS is the key international society promoting health in women and men at midlife and beyond.

EMAS encourages and stimulates excellence in health professionals and researchers through its publications, congresses, educational resources with accredited online courses and other society initiatives.

### Congress Programme

Over three days, the EMAS Congress 2021 will feature the latest results and insights from research and clinical care, with an emphasis on the lifelong perspective.

### Open Door Day

This year, we are introducing an additional Open Door Day on 7 September 2021. For one day only, we will give a sneak preview of the EMAS Congress. This day is free for anyone to attend and a great opportunity to experience a wide range of topics and learn from top industries in the field of menopause, andropause and healthy ageing.

### Call for Abstracts

Please be part of the scientific programme and submit your abstract before the deadline.

Regular abstract submission deadline:  
15 June 2021

Late-breaking abstract submission deadline:  
15 August 2021

### Registration

Join top experts from around the world to discuss relevant topics in menopause and andropause health management.

Please note:  
Participation in the Open Door Day is free of charge.
